Who We Are

Mojo is not a restaurant. We are a brand synonymous with desire.

Led by a Michelin trained team, preferred by discerning folks.

Your wishlists, your dietary restrictions, your boundaries.

Mojo was founded in 2015 at a fireside chat amongst close friends and likeminded individuals. At the core, our founder shared the vision of a company that will be focused on brand building and importantly putting together a small war chest that will co-fund it's future expansions and foray into tech enabled solutions for the business.

Led by Alumni of Three Michelin Starred Guy Savoy, Eleven Madison Park and Les Amis,

Mojo is a preferred corporate caterer amongst discerning folks, we cover anything from your favourite asian breakfast to bespoke Mexican lunches, Bespoke Canapés, Live Stations and more!
